YOUTH PROTECTION STANDARDS UPDATE

Courtney Dodd, Extension Program Specialist

A reminder at the start of this 4-H year - all volunteers are to be re-screened every three years. For 4-H volunteers, the need for re-screening is determined on a 4-H year basis. For example, a volunteer screened any time between September 1, 2008 and August 31, 2009 needs to be re-screened at the beginning of this 2011-2012 4-H year. More information on volunteer screening is located online at: http://texas4-h.tamu.edu/agents/agent_yps/agents_yps.php

Volunteer \$5 Application Fee Plan

What:

Upon setting up or reactivating their 4-H CONNECT profile each year, adults will be assessed an annual \$5 volunteer application fee.

- This fee will pay for screening, which will continue to be conducted every three years, even though the \$5 volunteer application fee will be assessed annually.

Who:

All 4-H volunteers will be assessed the volunteer application fee

Volunteers that provide proof of screening through other entities will still be assessed the fee

Livestock Blog:
