YOUTH PROTECTION STANDARDS UPDATE

Courtney Dodd, Extension Program Specialist

A reminder at the start of this 4-H year - all volunteers are to be re-screened every three years. For 4-H volunteers, the need for re-screening is determined on a 4-H year basis. For example, a volunteer screened any time between September 1, 2008 and August 31, 2009 needs to be re-screened at the beginning of this 2011-2012 4-H year. More information on volunteer screening is located online at: http://texas4-h.tamu.edu/agents/agent_yps/agents_yps.php

Volunteer \$5 Application Fee Plan

What:

Upon setting up or reactivating their 4-H CONNECT profile each year, adults will be assessed an annual \$5 volunteer application fee.

- This fee will pay for screening, which will continue to be conducted every three years, even though the \$5 volunteer application fee will be assessed annually.

Who:

All 4-H volunteers will be assessed the volunteer application fee

Volunteers that provide proof of screening through other entities will still be assessed the fee

Texas A&M AgriLife Extension Service's Watch UR BAC program is a free, statewide program to promote alcohol and other drug awareness, the dangers of impaired driving, and friends watching out for friends.

The members of Texas A&M AgriLife will provide equal opportunities in programs and activities, education, and employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation or gender identity and will strive to achieve full and equal employment opportunity throughout Texas A&M AgriLife.
